

### Kosovo Team Discusses Business Ties with CICU

Avni Dervishi, political adviser for International Affairs, Republic of Kosovo, visited Chamber of Industrial and Commercial Undertakings (CICU) to increase bi-lateral trade between India and Republic of Kosovo, on 04/02/2014.

Upkar Singh Ahuja, General Secretary, CICU, gave a detailed presentation about the CICU's activities and products manufactured in Ludhiana.

He also mentioned that made in Ludhiana products like bi-cycle, woolen-garments, sewing machines, hand tools machines among others were being exported throughout the world.

Avni Dervishi gave a detailed presentation of the economic conditions in Kosovo.

He also revealed that his country made lots of imports

from China, Turkey and other European countries.

"So, Kosovo can also import products from India," he said, adding that the country was having rich minerals like coal and crude oil, etc. that India could export.

Baldev Singh, President All India Agricultural Machinery Manufacturers Association, mentioned about the strength of agricultural machinery products and said that they could help Kosovo in farm mechanization.

CICU members and Avni Dervishi from Kosovo agreed to remain in constant touch for the purpose of boosting bi-lateral trade and business industry relations.
